

Comparative & superlative of adjectives

Exercise:

- ① Get together in groups of 5 and **take out your objects**.
- ② Choose up to 3 objects and place them in the middle of the table.
- ③ One of you starts: **Pick an adjective card**. Use this adjective to compare your objects.
- ④ Your **classmates check** that you're using the forms correctly.
- ⑤ **Take turns** making sentences and **write down one example on your own worksheet** at the end.

Need an example?

1) Anna's pencil case is **smaller than** David's water bottle. But Hannah's rubber is **the smallest** object.

2) Theo's book is **more exciting than** Andy's toilet paper roll. But Mary's controller is the **most exciting** object.
