

Name:

Worksheet: How to create a story cube

- ① Choose six key scenes, figures or objects
- think back to important moments in your book, what characters were involved? were there any important objects?
Write six of them down below.

- ② Design your cube
- use the template, glue and scissors to create your own cube, when you're done draw one of the six aspects you chose in task 1 on each side

- ③ Prepare your presentation
Think of how to explain the scenes, figures or objects you've drawn on your cube to your classmates. Take notes.

Extra tips

- use colors to highlight important parts of your images
