- ② Erkläre die oben gefundenen topographischen Begriffe mit ihren Lagemerkmalen.
(Weitere Erläuterungen im QR-Code)

A large grid of graph paper, consisting of 20 columns and 20 rows of squares. In the top right corner, there is a small square containing a QR code. The QR code is black and white, and it appears to be a standard 2D barcode. The grid is otherwise empty, with no text or other markings.
