I'm a lazy average person ... whatever.

① In the following you are presented three personal profiles written by applicants for a job as an assistant for social media and public relations on *Instagram, Facebook and Snapchat* for a surfing and snowboarding online shop.

- Analyze the following personal profiles in terms of language, content, style and register.

> 💡 **register**
> **the style of language, grammar, and words used for particular situations:** *People chatting at a party will usually be talking in (an) informal register..*

Text 1: Personal profile, Jeff R.

I am a very talented and gifted person in all kind of situations. Let's face it. I am awesome and that's the reason why I'm the perfect guy for you're job. I am creative and I have my own Instagram account, so seriously, I already know my stuff.

Would love hearing from you.

Text 2: Personal profile, Gene S.

Most of the time I am a really reliable person. Even my mother tells me that from time to time. I'm not that good at working in a team but I want to get better, I promise! My main hobby is actually instagram, so my job would be my hobby, too.

If you have questions, feel free to ask.

Text 3: Personal profile, Jack K.

Honestly, I am not the most organized person in the world, nevertheless I'll get done every job I have to.
And it might take more time compared to others but I am a very nice person. Ask people. They will verify that. Sometimes I am a bit tired but if a job raises my interest, I am at least in there to 75%.

Always doing my best!

② Imagine you are in the position of an employer. Discuss whether you would want to hire one of those persons.
