Book Lover

Put the verbs into the gaps in the correct tense. Pay attention to signal words.

Last week I (buy) 'Storm Front' written by Jim Butcher.

It (be) the first volume of the series about the professional wizard Harry Dresden.

While I (read) the book, I heard it simultaneously as an audio book.

The voice of James Marsters (bring) the story to life

The author (write) the story in an exciting and very hunky way.

Still I (not, buy) all the books in the series yet.

On Netflix I (watch) the movie 'The Witcher' right now.

I (read) the book before I started watching the movie.

The movie (be) good but when you read the books, you (dive) much deeper into the story.

Oliver Siebeck (read) the books in German and listening to him is a pleasure.

I (already, listen) to the audio book twice.

Ever since I (be) a teenager, I loved to read fantasy.

My love for books and especially for fantasy (never, end).
