

A trip to Papua New Guinea

Imagine you are a trip advisor in Britain. Your most recent client wants to explore the British history of Papua New Guinea. Find **at least five sights** for your client.

Location of Papua New Guinea

Your client

51 years old

likes comfort and a nice cup of tea

very interested in the history of the British empire

wealthy

Your tasks

- ① Research on your own about suitable sights for your client. (10min)
- ② Get together in groups of four. Discuss your findings and decide on the most fitting sights. Be prepared for a short presentation. (15min)
- ③ Present your results. (2-3min)
All the other groups compare them with their respective findings. (10min)
