

### We're Going to Be Friends

'We're Going to Be Friends' is a single by the American alternative rock band **White Stripes** from their album **White Blood Cells**. It was released in late 2002, and tells the story of meeting a new friend at the beginning of a school year. The video features **Jack White** playing the guitar on a couch and his (ex-)wife **Meg** sleeping alongside him. Singer-songwriter **Jack Johnson** recorded a cover of the song on his album **Sing-A-Longs and Lullabies** for the film **Curious George**. The song was also presented on the movie **Wonder** (2017) at the beginning and was repeated again in the movie with a cover version performed by Caroline Pennell.
