

A black and white woodcut illustration. In the foreground, a man in a military uniform stands on a ship's deck. He is wearing a dark, double-breasted coat, a peaked cap, and boots. He is holding a long, thin object, possibly a telescope or a pointer, and looking towards the right. In the background, a figure in a crown and armor is visible on the ship's structure. The illustration is signed 'L.C.' in the bottom left corner.

This image shows a full page of blank graph paper. The grid consists of small, equal-sized squares formed by thin black lines. There are 20 columns and 20 rows of these squares, creating a total of 400 individual square units. The margins are consistent on all sides, and there are no markings or text other than the grid itself.
