

Ersatzleistung - Assignment: Summary Writing

Read the following text carefully and write a summary that includes the key information and events from the text.

1 Your tasks:

- 1) Identify important information:
 - **Highlight** the most important details in the story.
- 2) **Divide** the text into sections/ parts:
 - Create distinct sections for different parts of the text.
- 3) Give each section a **headline**:
 - Assign a brief/ short title to each section to categorize the content and to show what it is about.
- 4) Write the **summary**:
 - Summarize the text in your own words in not more than 180 - 274 words.
 - Use linking words (list I handed out) that connect ideas to make your summary smooth and clear.

2 Your grade will take into account:

- your highlights in the text
- your sections
- your headings
- your summary
