

Your topic:

① 🗨️ Congratulations- last lesson you have decided for a topic you are interested in. In the next lessons you will become an expert for your chosen topic.

- In a first step, create a **mind-map** about your respective topic in order to enhance your range of vocabulary.

Think of all the words and phrases that might be very useful to talk about your topic.

- Make sure that you differentiate between different kinds of vocabulary, e.g.:

functional vocabulary (words and phrases that you need in order to COMPARE, CONTRAST, DISCUSS, DESCRIBE.)

content-related vocabulary (words and phrases that are specifically connected to your topic.)

general vocabulary (words and phrases you need often to express yourself in an understandable manner.)

Advice

The more elaborate your mind- map is, the more precise will be your ability to present your topic.

② Create a **Quizlet-Activity** for your classmates.

- As soon as you are happy with your topic-based vocabulary mind-map, you start to create a vocabulary-quiz for your classmates.
