

## Example Picture Description

The picture shows the countryside. The picture is a coloured photo and at the top there is the sky which is partly cloudy but the weather looks bright. Under the sky in the background there are mountains. Over the mountains at the top on the right you can see blue sky. In the middle is a lake with a small island. There grow a few trees on the island. Next to the island on the left there are green bushes. In the foreground is the lake. At the bottom of the picture you can only see the water of the lake and in the left bottom corner you can see a tree.
