

Robinson Crusoe: Chapter 1

Task

Create a false/right task for the class. Write down correct statements from the first chapter and make up false ones. Later the class has to find out if the statements are false or right.

Write down at least 6 statements!

Example:

Robinson Crusoe has 3 younger sisters.

False: He has a brother.

You need: The first chapter of *Robinson Crusoe* and 6 statements and the right answers

Time: 20 minutes

Your role:
