„Racism isn't getting worse, it's getting filmed“

*<p>There's a dark before the dawn.<p>
<p>When everything gets out, it's a good thing.<p><p>It just sucks bad when the truth is out.<p><p>But I think everybody can see it now.<p><p>And I think it's just a little darkness before the cleansing<p><p>that we'll have as we move forward.<p><p><p><p>*

<p>No matter how nice and kind you are<p><p>No matter how smart you are<p><p>And how many degrees you may obtain<p><p>No matter all the good work<p><p>You may do for the community and for the world<p><p>Some people are going to hate you<p><p>Just because you exist<p><p>And you got to be able to deal with that<p><p><p><p>

*<p>And then the video of George Floyd comes out,<p>
<p>And I don't know what made that video <p>
<p>More painful for people to watch, <p><p>The fact that that man <p><p>Was having his life taken <p>
<p>In front of our eyes,<p><p>The fact that we were watching <p><p>Someone being murdered<p><p>By someone whose job is <p><p>To protect and serve, <p><p>Or the fact that he seemed <p><p>So calm doing it?<p><p></p>*

„If you lead by example, there is a good chance that people will follow that example that you have set“

<p>"I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character."</p>
