

①

Translate these German sentences with verbs into English sentences without the reflexive pronouns in the correct tense.

Ich wasche mich.

Ich rasierte mich.

Ich fühle mich nervös.

Bitte beeile dich.

Ich dachte mir...

②

Now think of verbs that do have reflexive pronouns. How many can you name?

③

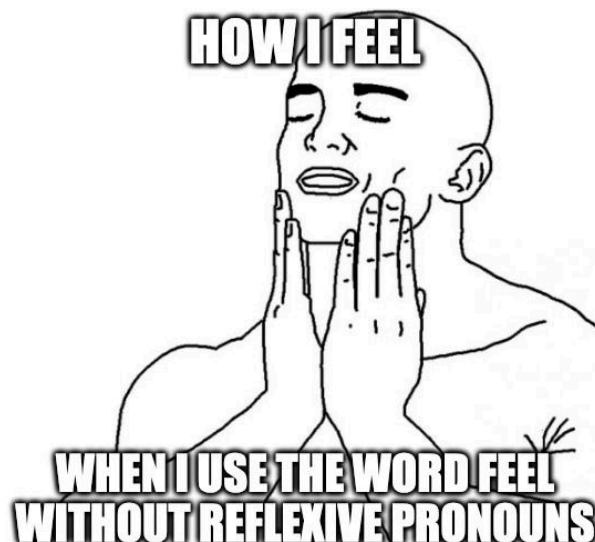

Which of these verbs require a reflexive pronoun?

- Enjoy
- Talking to
- Feel
- Think

Thinking

The verb thinking is special. It can be used without reflexive pronouns "I think that" and with reflexive pronouns as well "I was thinking to myself".
