

Signalwörter für die Zeitformen

① What do the tenses mean in German? What is the German translation? Fill in the gaps.

The Simple Present is the in German. Simple Past means in German, and the Present Perfect is the same as the in German.

② Now have a look at the **MARKING WORDS** written below. Please fill them in the table at the bottom.

 usually, two years ago, yesterday, in 2008, (not) yet, often, already, so far, last year, regularly, sometimes, ever

Simple Present	Simple Past	Present Perfect
