Chips

Fresh milk

Sparkling water

Ham

Name:

Finding your way around the supermarket - tasks

- ④ A customer is asking you for directions to an item. Write down, how you would explain to him, where to go. The letters mark your position, the arrows the direction in which you are looking.

Customer A is looking for a coffee to go.
Customer B is looking for cheese.
Customer C is looking for tofu.
Customer D is looking for saltsticks.
Customer E is looking for vodka.

Helpful phrases

Go straight ahead until...
Turn right/left in aisle number...
Turn right/left after going past...
The item is on the left/right side.
The item is next to...
The item is in the ... section.

- ⑤ Together with a partner, come up with new scenarios. Take turns asking each other for items and name one of the starting positions. Then try to follow the directions given to you.
