1	Fill in the blanks. Use the words from the box below. Scan the QR-Code to answer the questions.
	The Premier League is the top level of English football and was founded in the year
	It consists of clubs. The League was created when the clubs from the First
	Division decided to break away from the
	to take better advantage of the com-
	mercial potential of English football. Since its formation, the Premier League has
	brought major changes to English football, including improvements in stadium
	and safety and the sighning of lucrative and
	sponsorship deals.  Words to use  English Football League - 20 - 1992 - broadcasting - comfort
