$357 - 198 = 155$

A number line diagram illustrating the subtraction $357 - 198 = 155$. The number line has three points marked: 155, 157, and 357. A bracket above the line connects 357 and 157, labeled -200 . Another bracket above the line connects 157 and 155, labeled -2 .
