

① Versuche diesen wichtigen Satz Martin Luthers herauszufinden:

A circular scale with 36 points, numbered 1 to 36. The points are arranged in two rows of 18 points each. The scale is divided into four groups of nine points each by vertical lines. The points are represented by circles with numbers inside.

A crossword puzzle grid with 36 numbered squares. The grid is composed of white squares for letters and black squares for empty space. Numbers 1 through 36 are placed in the starting squares of the words. Some numbers are in grey squares, indicating they are part of a specific set of words. The grid is 15 squares wide and 15 squares high.
