

Robinson Crusoe: Chapter 1

Task

Create a quiz for the class with 6 questions about the first chapter.
The class has to find the right answer.

Keep in mind: You have to know the right answer.

Example:

How many siblings does Robinson Crusoe have?

A: 4 sisters

B: 1 brother

C: 2 brothers and a sister

D: He does not have any brothers or sisters

Right answer: B: 1 brother

You need: The first chapter of *Robinson Crusoe* and 6 questions and the right answers

Time: 20 minutes

Your role:
