

# Girl Power - a Podcast

During the last few lessons, you have selected a female artist, did research on her, collected a lot of information, written a script, tried out several Apps, recorded sample audios and, in the end, came up with a finished Podcast episode on your artist. :)

Now, I want to give you some feedback on your work. In the following grid, you will be able to see where your work has been good or even excellent and also what you still need to work on.

Aspects	Comment	Credit
