

SPEAK to the people in the class.

Find people who did these things.

Then, ask them some more questions about what they did.

... went to the cinema during the holidays.
Ask them for the film's title.

... read a book in English during the holidays.
Ask them for the title of the book.

... did something they have never done before.
Ask them what they did.

... got injured during the holidays.
Ask them what happened to them.

... travelled to a place outside Europe.
Ask them where they went.

... had a summer job during the holidays.
Ask them what they did.

... was happy to come back to school.
Ask them why.

... slept in a tent during the holidays.
Ask them how they liked it.

... ate something they have never eaten before.
Ask them what they ate.

... made something during the holidays.
Ask them what they made.

... spoke English during the summer.
Ask them what they spoke about.

... learned a new skill during the holidays.
Ask them what they learnt.
