4 Fill in the gaps.			
While "The King's Speech" focus	ses primarily on King	and his struggles with his speech	
impediment, the film does offer	some insights into the character of G	Queen , who	
would go on to become the long	gest-reigning in B	ritish history.	
In the film, Queen Elizabeth II, t	hen known as Eliz	rabeth, is portrayed as a loving	
daughter who is deeply concerr	ned for her father's well-being. She is	often shown at his side during his	
therapy sessions with	Logue. The film also highlig	ghts the challenges that Queen	
Elizabeth would face as a memb	per of the family,	particularly during the turbulent	
years leading up to	II. As the	daughter of the King and future	
, she is show	n to be aware of her family's public in	mage and the importance of	
projecting a sense of stability an	nd unity to the pe	ople.	
Overall, the film particularly sho	ows her close with	n her father and her early	
experiences as a	of the royal family.
