- ④ Read Lucas' letter and write the information next to the question.

 Dear Dominik,

 How are you? I feel good.
 In my holidays I was in Dorfstetten.
 I went there alone although my sister drove me there. When I got there I had a lot of fun because I stayed with my cousin at his place for 5 days.
 I didn't buy anything.
 I really liked it because they are building a house and I could help them at their building site. I also looked after my baby cousin.
 The food was really good, we ate "Schnitzel" all the time. Yummy!
 The weather was great, too. It was sunny most of the time, with only one rainy evening.
 Write back soon!

Yours, Lukas

- ⑦ 📄 Read Johanna's letter.

Dear Alicia,

How are you? I'm okay. How were your holidays?

My holidays were great. I went to Bärnkopf with my family and another family. We went camping at the lake.
We stayed there only for three days.
The lake is in the woods, so we just went shopping for food.
My sister and I did a lot of things: we went jogging around the lake, played volleyball or went to the woods. I often played cards with the other family and sometimes we went fishing, but we didn't catch anything. In the evenings we always sat around the campfire and sang a lot of old songs.
We cooked for ourselves and we often had barbecues.
I like barbecues, so the food was delicious.
The weather was crazy! In the mornings it was rainy and foggy, in the afternoon it was hot and in the evenings it was very cold.

So, where did you go in your holidays? Did you have fun?
Write back soon!

Yours, Johanna
