Dear Dominik,

*How are you? I'm fine.
During my holidays, I was in Dorfstetten.
I went there on my own, although my sister drove me there. When I got there, I had a lot of fun because I stayed with my cousin at his place for five days.
I didn't buy anything.
I really liked it because they were building a house, and I could help them at their building site. I also looked after my baby cousin.
The food was really good. We ate "Schnitzel" all the time. Yummy!
The weather was great, too. It was sunny most of the time, with only one rainy evening.
Write back soon!*

Yours, Lukas

Dear Alicia,

*How are you? I'm fine. How were your holidays?
My holidays were great. I went to Bärnkopf with my family and another family. We went camping at the lake.
We stayed there for only three days.*

*The lake is in the woods, so we only went shopping for food.
My sister and I did a lot of things: we went jogging around the lake, played volleyball, or went to the woods. I often played cards with the other family, and sometimes we went fishing, but we didn't catch anything. In the evenings, we always sat around the campfire and sang a lot of old songs.*

*We cooked for ourselves and often had barbecues.
I like barbecues, so the food was delicious.*

*The weather was crazy! In the mornings it was rainy and foggy.
In the afternoons it was hot, and in the evenings it was very cold.
So, where did you go on your holidays? Did you have fun?
Write back soon!*

Yours, Johanna
