# Past Progressive

## 1 Practicing the past progressive

- **Get together with your neighbour!**
- Carefully study the picture below for 3 minutes and try to remember as much as you can.
- Then one of you hides the picture from the other.
- The person who cannot see the picture tells their neighbour everything they can remember on the picture for two minutes! Use full sentences!
- Try to think of **as many** sentences as you can and build them with the **past progressive**!
- After that, take turns! The person with the most sentences wins! :-)

**Example Sentence:**

While the ice bears were swimming, the child bought an icecream.
