I think this is a
good idea because...

In my opinion,
this could be a
good opportunity
because...

I believe this
helps people because...

I completely
agree with ... because...

I don't agree with
this because...

In my opinion,
this could be dangerous because...

The news raises /
you make a valid
point, but I think...

I see it differently
because...

From a critical
perspective, this
seems questionable because...

While I understand the/ your
intention, I still
believe that...

What worries me
is ...

This policy might
be well-
intentioned, but
... is debatable
because ...

On first sight it
seems.... but if we
consider the long-
term consequences,
then...

I am unsure. This
could affect how
we..., but ...

I believe, it depends on ...

I don't think this
is a black-and-
white issue be-
cause ...

I'm not sure. On
one hand..., on
the other hand...

How can we be
