Spring time is the best time. I like to go to the park with my friends. There is a big tree in the park. In the tree there lives my favourite bird. A magpie. The magpie sings very beautifully. I also like to watch the bugs in the grass. My favourite bug is the ladybird. A ladybird with seven dots brings luck. There are flowers everywhere in the park. The daffodil is very beautiful and it smells so nice. But my favourite flower is the daisy. I sometimes pick some daisies and make a bouquet.
