

**Try to answer the following questions**

- What makes demonstrations problematic?
- What can be said about protesting outdoors?
- What do the organisers advise people to do when demonstrating?
- What is the concept of silent demonstrations?

**Remember:**

Do not translate the texts word for word!  
Summarise the main aspects in your own words and simplify complex ideas.

**Language support**

- rally, demonstration, protest
- curfew, lockdown
- contagious
- aerosols
- hand sanitizer
- confined space
