

Name:

What do you do for a living?

- ① **Write down** necessary **vocabularies** for introducing your work. (3 min)

- ② **Write down simple sentences** for introducing your work to others.
If you have problems with words you don't know, you can use your phone or a translator. (15 min)

What's your job title?	
What company do you work at?	
What does your company do?	
What are your tasks?	

- ③ **Interview** other students about their work. You can use the questions above. If possible, don't just read out your sentences, but try to have a natural conversation. (10 min)
