Where do we go?

11.03.2020

On the train 1 pm

Chris: Thank you. Where did you go during our last holidays?

Paula: Where are we going, Chris? Tell me.

Chris: I wanted to surprise you, but OK I tell you. We are going to Amsterdam.

Paula: I was in England. My time there was great but my friend has travelled to Ireland. I'd love to travel there, too.

Paula: Oh cool, I haven't been to Amsterdam yet.

Chris: Ireland's countryside is magical. I have been there once.

Chris: I know that is why we are going. I have been to Amsterdam with my family. We have seen so many beautiful places. It has been a great journey.

Paula: Really? I haven't seen my friend for a while but she told me the weather has been rainy and chilly but the coast and mountains with all the sheep and goats living there were beautiful.

Paula: Are you hungry? I've made some scones.

Chris: Sounds great. Oh look, over there!

Chris: Yes I haven't eaten anything today. A scone would be great.

Paula: Where?

1.30 pm , after scones

Chris: Look that way. On the right side there is a big field full of ponies.
