In your latest test, some of you had quite some troubles with using the words who,
which, witch and with correctly. Therefore, I asked ChatGPT to create a text about Winnie,
who is a witch, with which you can practice these words again. First translate the words.

witch	with	which	who
Once upon a time, in the magical land of Enchantia, there was a <b>tricky</b> named Winnie. Winnie			
was a some <b>villagers</b> were afraid of because she had strange powers. One day, she			
decided to make a magic <b>potion</b> to get even more <mark>special skills</mark> .			
Winnie, her bla	ack hat, her funny laugh an	nd her black cat Wilbur,	was sitting on her
left shoulder, was <b>gathering</b> things from her strange garden. She picked <b>herbs</b> and <b>berries</b> , some of			
were very <mark>rare</mark> . The big pot was <mark>bubbling</mark> , making a funny noise, and the air had a <b>weird</b> smell.			
While Winnie was saying her magic words, a group of kids was walking through the forest. They found			
Winnie's weird house, was hiding behind strange trees. They <b>peeked</b> through the window and			
saw the wicked	her bubbling p	ootion. When Winnie saw th	e kids, she got really angry.
<i>"Why are you here, little ones?"</i> she shouted. She pointed her magic stick at them, started to			
make <b>sparks</b> .			
The kids got scared and started running away. " <mark>I <i>will teach them a lesson</i>,</mark> " she <b>whispered</b> to Wilbur.			
Winnie, her <b>broomstick</b> in hand, ran after the kids through the dark woods. The trees,			
looked like they were slowly waving, were watching the crazy <b>chase</b> . The crazy really			
wanted to catch the kids! As the kids were running between the trees, they saw that Winnie's powers were			
getting stronger. She was getting closer! They ran faster, trying to get away from the tricky			
Finally, they reached an <mark>c</mark>	<mark>open space</mark> , gave	e them a little break. Winnie	, <b>breathing</b> hard, stopped
at the <b>edge</b> of the open space. The kids, <mark>catching their <b>breath</b>, looked at each other, feeling safe.</mark>			
Winnie, knowing she lost the <mark>race</mark> , went back to her house.			
The kids, a new <b>understanding</b> of the <mark>dangers</mark> in the magical forest, went back to their village.			
They <mark>promised</mark> not to <b>bother</b> Winnie and Wilbur again.			
And so, in Enchantia, the story of Winnie, the tricky , became a story told around the campfire.			
No one <b>dared</b> to go into the dark woods, held both interesting and dangerous things,			
especially when a <b>wicked</b> like Winnie was making potions.
