

**Work Session - Crafting a „Main Part“ using Pre-collected Arguments****① Partner Work:**

- Compose a main part using your selected arguments.
Ensure that your paragraphs are well-coordinated.

② Group Allocation and Exchange of Main Parts:

- Exchange your main parts with the member of your new group.
- Read your new partner's contribution carefully.
- Use the prepared evaluation sheets to provide constructive feedback to each other.
Focus on how well the selected arguments are integrated, clarity, argumentative strength, and relevance.

**③ Presentation to the Class:**

- Present your „Comment - Main Parts“ to the class.
- Ask questions, add comments and give feedback on other presentations.

**Already done?**

Faster students can compose a „Comment – Conclusion“ fitting their topic.
Good luck with your writing!
