⑦ Find a partner.

Partner B: Look at page 69.

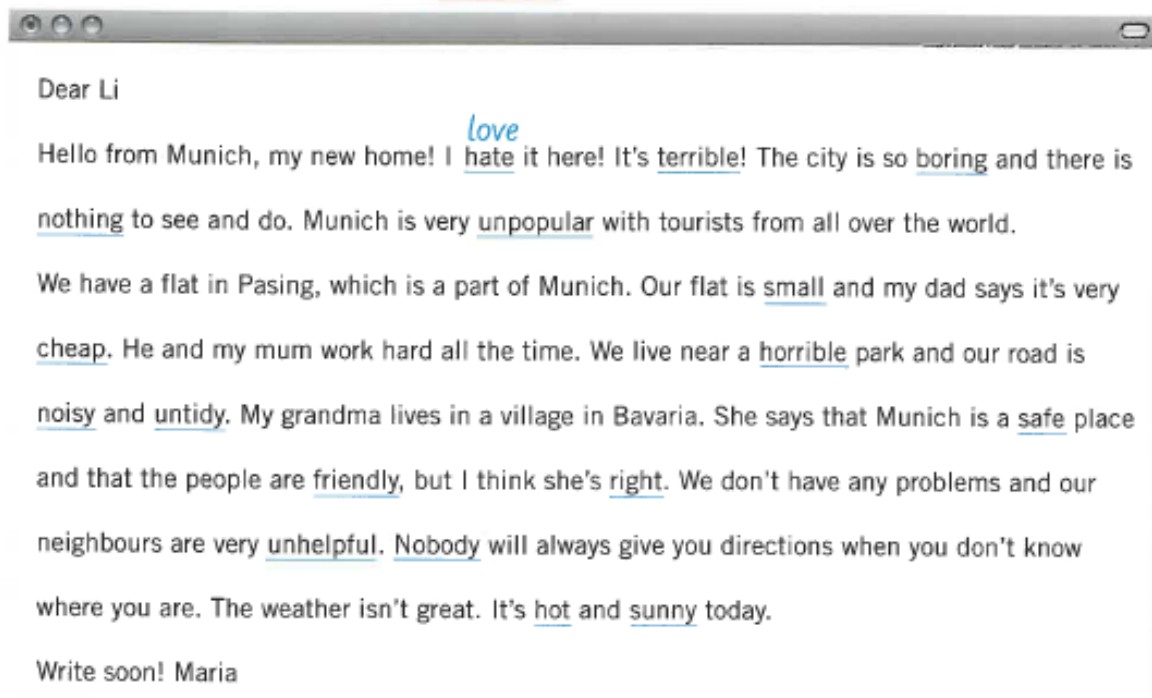

Partner A: Look at the map and ask your partner for directions to: the Tourist Information and High Tor. Write the map on the correct place on the map. You are at the car park.

Describing places

⑧ An email from Munich:

Li is reading an email from her email friend Maria in Munich. But something has gone wrong with the email. Find the opposites of the underlined words.

⑨ Now you: You live in a new city or village. Choose one of the photos and write an email to your English penfriend about it.

Tell your friend, ...

- where you live
- what it is like
- how you like it

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no text or other markings on the paper.

Dear Li

Hello from Munich, my new home! I love it here! It's great! The city is so exciting and there is lots / a lot of things to see and do. Munich is very popular with tourists from all over the world.

We have a flat in Pasing, which is a part of Munich. Our flat is big and my dad says it's very expensive. He and my mum work hard all the time. We live near a beautiful park and our road is quiet and tidy. My grandma lives in a village in Bavaria. She says that Munich is a safe place and that the people are friendly, but I think she's wrong. We don't have any problems and our neighbours are very helpful. Nobody will always give you directions when you don't know where you are. The weather isn't great. It's hot and sunny today.

Write soon! Maria
