Things to do in the Lake District

Get on the water

Why not build a raft in a group and try it on the lake? We have wetsuits, but please bring a swimming costume or swimming trunks and a towel too.

Maybe you'll fall in the water, but you definitely won't forget this great day!

Walk in the mountains

The Lake District is good for hiking. Remember: when you go hiking, wear good boots and take water and a map. Use only public paths (don't walk on private paths or fields) and close all gates.

Learn to live outside

Go camping with other teenagers! You'll sleep in tents in a field. You'll learn how to make a fire with the right wood and how to cook food over the fire. Bring a penknife.

Visit Grizedale Forest

Walk across a bridge in the treetops! Or just walk through this beautiful forest. You'll probably see animals, like deer and foxes. Please don't leave litter or feed the animals.

Visit a famous cave

Are you a film fan? Cathedral Cave was in a big Hollywood film with Kristen Stewart and Chris Hemsworth. The cave is cold and dark, so wear a warm jacket, hat and gloves and take a torch.
