

## Tandembogen - What do you say in English?

| Schüler:in A                                                                                                                              | Schüler:in B                                                                                                         |
|-------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>1. You start! You are a pupil and pupil B is a teacher.</b><br><b>What do you say in English?</b><br>Du kommst zu spät zum Unterricht. | <b>Pupil A is a pupil and starts. You are a teacher.</b><br><b>Check his/her answer:</b><br>Answer: Sorry, I'm late. |
| <b>Now listen to pupil B and check his/her answer:</b><br>Answer: Good morning, [name]. (Please sit down.)                                | <b>2. Now it's your turn! (Du bist dran!) What do you say in English?</b><br>Begrüße sie/ihn.                        |
| <b>3. Your turn! (Du bist dran!)</b><br>Du weißt das Wort für "Lineal" nicht.                                                             | <b>Listen to pupil A and check his/her answer:</b><br>What's "Lineal" in English?                                    |
| <b>Listen to pupil B and check his/her answer:</b><br>It's ruler.                                                                         | <b>4. Your turn!</b><br>Sage, wie das Wort auf Englisch heißt.                                                       |
| <b>5. Your turn!</b><br>Du möchtest auf die Toilette gehen.                                                                               | <b>Listen to pupil A and check his/her answer:</b><br>Can / May I go to the toilet / bathroom, please?               |
| <b>Listen to pupil B and check his/her answer:</b><br>Yes, you can / may.                                                                 | <b>6. Your turn!</b><br>Erlaube es.                                                                                  |
| <b>7. Your turn!</b><br>Du verstehst das Wort "rubber" nicht.                                                                             | <b>Listen to pupil A and check his/her answer:</b><br>What's "rubber" in German?                                     |
| <b>Listen to pupil B and check his/her answer:</b><br>It's "Radiergummi" in German.                                                       | <b>8. Your turn!</b><br>Sage, wie das Wort auf Deutsch heißt.                                                        |

Well done!

Now bring back the worksheet to the teacher's desk.
