The image shows a grid of 20 vertical columns, each 20 rows high, arranged in two rows of 10. The grid is used for comparing lines and boxes with a background. The columns are arranged in two rows of 10. The first row contains 10 columns, and the second row contains 10 columns. The columns are arranged in a staggered pattern, with the second row starting further to the right than the first row. The grid is used for comparing lines and boxes with a background.

A blank sheet of graph paper featuring a uniform grid of small squares. The grid covers the entire page, providing a structured space for drawing or writing.

The form consists of a large rectangular area with a light gray background. It is divided into horizontal sections by thin black lines. The top section is a header area with a light gray background. Below it, there are several rows of horizontal lines, each followed by a larger rectangular area with a light gray background. This pattern repeats down the page, creating a series of horizontal bands for drawing or writing. The bottom section is a footer area with a light gray background.
