The image shows a grid of 20 vertical columns, each 20 rows high, arranged in two rows of ten. The grid is used for comparing lines and boxes with a background. The columns are arranged in two rows of ten. The first row contains columns 1 through 10, and the second row contains columns 11 through 20. Each column is a 20x1 grid of cells. The grid is used for comparing lines and boxes with a background.

A blank sheet of graph paper featuring a uniform grid of small squares. The grid covers most of the page, leaving margins at the top, bottom, and sides. The lines are thin and black, creating a clean, uncluttered workspace for drawing or writing.

Name:

tile-compare Linien und Kästchen mit Hintergrund

06.06.2020

The form consists of a grid of white rectangular boxes of various sizes arranged on a light gray background. To the right of these boxes are several horizontal rows of empty rectangular boxes, some of which are grouped together. The layout is designed for students to draw or place tiles to compare different patterns or structures.

[illegible]

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.A full-page sheet of white graph paper with a light gray grid. The grid consists of small squares, approximately 10 units wide by 10 units high. There are no margins or additional markings on the page.

The form consists of a large rectangular area with a light gray background. It is divided into horizontal sections by thin black lines. The top section is a header area with a light gray background. Below it, there are several rows of horizontal lines, each followed by a larger rectangular area with a light gray background. This pattern repeats down the page, providing a structured space for drawing or writing.
