2

Kansas and the Pottawatomie Massacre

- Brown lived mostly in Springfield, Massachusetts before moving to the Kansas Territory.
- Several of his sons were already living there.
- Brown's sons wanted his help to fight people from Missouri.
- The people in Missouri wanted slavery to be legal in Kansas.
- **On 24 May 1856, Brown and his sons killed five people in Kansas who wanted slavery to be legal.**
- They dragged the people out of their homes and killed them with swords.
- This came to be known as the **Pottawatomie massacre**. [2]

3

Harper's Ferry

- In 1859, Brown **decided to attack** the Harpers Ferry Armory in Harper's Ferry, Virginia (now West Virginia). [6]
- He was planning on **giving the weapons to slaves**. [6]
- The slaves would use the weapons to fight against their masters and become free.
- Brown attacked the arsenal in October 1859. His sons and several other men, including several black men, helped him with the attack.
- **His attack failed. Brown was captured, and was executed by hanging for treason** against the state of Virginia on 2 December 1859. [6]
- People had strong feelings about John Brown.
- Some people thought that he was crazy or evil.
- Other people thought that he was a hero.
- His attack on Harpers Ferry helped lead to the American Civil War.
- The war would start in 1861. [7]
